## PROGRAM SUPPLIES

CHECKLIST OF THINGS TO BRING WITH YOU

### **Clothing**

- Brimmed hat - even if you never wear a hat, wear a hat.
- Comfortable lightweight hiking shoes or boots with good tread and that lace above the ankle for support. Be sure to break them in before arriving in Montana!
- Lightweight pants and/or shorts. Zip off pants work really well
- Lightweight long- and short-sleeved shirts
- Light jacket, windbreaker, sweater or sweatshirt
- Lightweight rain poncho
- Two 28-ounce water bottles and small backpack or daypack

\*Laundry facilities are available in Jordan.

### **Personal Items**

- Underclothes, padded or thick socks, sleepwear/robe
- Sandals or tennis shoes for evening activities (these are not appropriate for use in the field)
- Sunglasses, alarm clock, brush, chapstick, etc.
- Toiletries: toothbrush and toothpaste, tissues, etc
- Sunscreen (SPF 30 or higher is recommended) and insect repellent
- Prescription medications, over-the-counter medications you commonly use (aspirin, Advil, EpiPen if needed, cold and allergy medications, antibiotic cream, etc)

### **Field Tools**

Commonly used field tools IF you would like to bring your own.

- Rock or brick hammer
- Screwdriver or garden tool
- Old toothbrush
- Notebook or journal and pencil
- GPS (we use Garmin GPSMap 64s, st or sx)
- Light gardening or leather gloves (if you like to wear gloves)
