Fossil Collection

Paleo X is a unique *paleontological* experience designed to provide participants with a broad view of the fields of paleontology, geology and the world of the dinosaurs. Our experiences are located on federal- and state-owned land where specific permits are required. Fossils collected are the property of all U.S. citizens and therefore, cannot be owned by private individuals. Collection of fossils without federal or state permits could result in federal and state investigation including legal prosecution.

During **Paleo X** programs, all collected materials are provided to a federal repository who then may loan material to **ADVENTURE 360** for educational purposes. Any participants keeping any fossils during the **Paleo X** Field School program will be dismissed from the program with no refund of fees and their actions will be reported to the appropriate state or federal authorities.

Collection of Artifacts

Paleo X is a unique paleontological experience designed to provide participants with a broad view of the fields of paleontology geology and the world of the dinosaurs. Our experiences are located on federal- and state-owned land where specific permits are required. Collection of archaeological artifacts without the required permits could result in federal and state investigation including legal prosecution. Therefore, it is the policy of **ADVENTURE 360** that there will be no collection of Native American artifacts or historical artifacts during its **Paleo X** program. These artifacts include but are not limited to Native American arrowheads, spear points, campsites and historical camp sites. Any participants collecting artifacts during the **Paleo X** program will be required to return artifacts to **ADVENTURE 360** staff and their actions will be reported to the appropriate state or federal authorities. **ADVENTURE 360** reserves the right to dismiss any participant from the program with no refund of fees for the collection of archaeological artifacts.

Firearms

ADVENTURE 360 provides a safe environment for its participants. Firearms of any kind, including those legally permitted, are strictly prohibited on all **ADVENTURE 360** programs. Any person participating in any **ADVENTURE 360** program possessing, obtaining or assisting in the acquisition of any firearms, for any reason, will be dismissed from the program immediately. Upon removal from the program, no fees will be refunded. All rooming fees, meals, transportation, airfare or other costs will be the sole responsibility of the removed participant.
